Please review Superintendent Policy 5144.3 - Student Expulsion Appeals.

When expelled by the governing board of a school district that is within the jurisdiction of the County Board of Education, a student or the student's parent/guardian may appeal the expulsion to the County Board within 30 days after the district governing board's action.

The student or the student's parent/guardian shall submit a written request for a copy of the written transcripts and supporting documents from the district simultaneously with the filing of the notice of appeal with the County Board in accordance with Education Code 48919. If the transcript and supporting documents are not requested at the same time the appeal is filed, the County Board shall direct the student or the student's parent/guardian to request the documents from the district immediately and shall inform the student or the student's parent/guardian that the district is required by law to provide the documents within 10 school days after the request is made.

The County Board is required by Education Code 48921 to decide the appeal based upon the record of the hearing before the district governing board and applicable documentation or regulation, and that without them, the County Board may have to request the student or student's parent/guardian to agree to delay the hearing.
