Yuba County Office of Education (YCOE) recognizes that volunteer assistance in schools can enrich the educational program, increase supervision of students, and contribute to school safety while strengthening the schools' relationships with the community. YCOE encourages parents/guardians and other members of the community to share their time, knowledge, and abilities with students.

The Superintendent or designee shall develop and implement a plan for recruiting, screening, and placing volunteers, including strategies for reaching underrepresented groups of parents/guardians and community members. He/she may also recruit community members to serve as mentors to students and/or make appropriate referrals to community organizations.

YCOE prohibits harassment of any volunteer on the basis of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or military and veteran status. (Government Code 12940)

As appropriate, the Superintendent or designee shall provide volunteers with information about school goals, programs, and practices and an orientation or other training related to their specific responsibilities. Employees who supervise volunteers shall ensure that volunteers are assigned meaningful responsibilities that utilize their skills and expertise and maximize their contribution to the educational program.

Volunteer work shall be limited to those projects that do not replace the normal duties of classified staff. YCOE nevertheless encourages volunteers to work on short-term projects to the extent that they enhance the classroom or school and comply with employee negotiated agreements.

The Superintendent or designee shall establish procedures for determining whether volunteers possess the qualifications, if any, required by law and administrative regulation for the types of duties they will perform.

Volunteers shall act in accordance with YCOE policies, regulations, and school rules.
