

TITLE: Tobacco-Free Schools	
Approved by: <u>Francisco Reveles</u> <i>Francisco Reveles, Ed.D., Superintendent of Schools</i>	Series: Business Version: 2 Effective Date: 3/27/2023 Previous Policy Date: 1/02/2008 Revised By: Committee Policy Number: SP 3513.3

Yuba County Office of Education (YCOE) recognizes that smoking and other uses of tobacco and nicotine products constitute a serious public health hazard and are inconsistent with YCOE goals to provide a healthy environment for students and staff.

YCOE prohibits smoking and/or the use of tobacco products at any time in YCOE-owned or leased buildings, on YCOE property, and in YCOE vehicles. (Health and Safety Code 104420, 104559)

These prohibitions apply to all employees, students, and visitors at any school-sponsored instructional program, activity, or athletic event held on or off YCOE property. Any written joint use agreement governing community use of YCOE facilities or grounds shall include notice of YCOE's tobacco-free schools policy and consequences for violations of the policy.

Smoking means inhaling, exhaling, burning, or carrying of any lighted or heated cigar, cigarette, pipe, tobacco, or plant product intended for inhalation, whether natural or synthetic, in any manner or form, and includes the use of an electronic smoking device that creates aerosol or vapor or of any oral smoking device for the purpose of circumventing the prohibition of smoking. (Business and Professions Code 22950.5; Education Code 48901)

Tobacco products include: (Business and Professions Code 22950.5; Education Code 48901)

1. Any product containing, made, or derived from tobacco or nicotine that is intended for human consumption, whether smoked, heated, chewed, absorbed, dissolved, inhaled, snorted, sniffed, or ingested by any other means, including, but not limited to, cigarettes, cigars, little cigars, chewing tobacco, pipe tobacco, or snuff.
2. An electronic device that delivers nicotine or other vaporized liquids to the person inhaling from the device, including, but not limited to, an electronic cigarette, cigar, pipe, or hookah.
3. Any component, part, or accessory of a tobacco product, whether or not sold separately.

This policy does not prohibit the use or possession of prescription products and other cessation aids that have been approved by the U.S. Department of Health and Human Services, Food and Drug Administration, such as nicotine patch or gum.

Smoking or use of any tobacco-related product or disposal of any tobacco-related waste is prohibited within 25 feet of any playground, except on a public sidewalk located within 25 feet of the playground. In addition, any form of intimidation, threat, or retaliation against a person for attempting to enforce this policy is prohibited. (Health and Safety Code 104495)

Policy Reference Disclaimer:

These references are not intended to be part of the policy itself, nor do they indicate the basis or authority for YCOE to enact this policy. Instead, they are provided as additional resources for those interested in the subject matter of the policy.
