

# Y C O E UPDATE

OCTOBER 16, 2023

ROB GREGOR, YUBA COUNTY SUPERINTENDENT OF SCHOOLS

Thank you to all who came out and enjoyed a beautiful night at Bishop's Pumpkin Farm. It was great to meet your family and sit around the firepits. A BIG thank you to Huma Khaliqi for making this happen. We appreciate the opportunity to be social and engage with our friends and family.

## BISHOP'S PUMPKIN FARM

**JANINE ENSSLIN, VISION SERVICES**

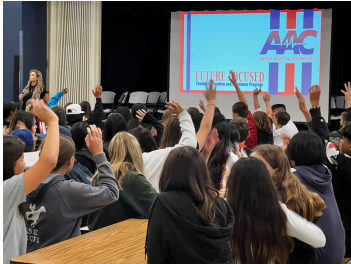

YCOE Vision Services attended a technology workshop hosted by Placer County Office of Education and California School for the Blind up in Truckee on October 6, 2023. The team learned all about Accessibility options (including Voice Over) on iOS (Apple) devices and Jaws Screen Reading Software for Windows based computer systems. Students with Visual Impairments can utilize these technologies to learn and participate in their education, access their curriculum, and it can all be done without using one's vision. It was very informative, and we'll be able to pass what we learned on to our students. We are also hoping that maybe someday, we can host a workshop here in Yuba County. It was a great experience!

Pictured: Katharine Annin, Rose Triplett, Carolyn Sasaki, and Janine Ensslin

Yuba County is a significant producer of walnuts. It is home to over 30,000 acres of walnuts, making it one of the biggest producers in California. The County contributes significantly to the State's economy thanks to its agriculture and extraction activities.

Do you have students that attend Riverside Meadows or Wheatland High School? If so, ask them about the Fentanyl Awareness Assembly. [www.onepillkillsyubacoe.org](http://www.onepillkillsyubacoe.org)
